

SUMMARY

A highly motivated and results-driven software developer with a strong background in building robust and scalable mobile applications using the **React Native** framework. Experienced in working with complex databases and APIs to create efficient and user-friendly interfaces. Skilled in using modern development tools and best practices to deliver high-quality software products.

Software developer with a passion for creating innovative mobile applications using **React Native**. Skilled in optimizing performance and improving user engagement through effective UI/UX design. Strong problem-solving skills and ability to work independently or in a team environment.

's degree in Informatics Engineering from Latakia University. Skilled in building mobile applications using **React Native** with a strong understanding of backend technologies like **Django** and **Django REST Framework**. Experienced in implementing real-time communication features using **WebSockets** and **Django Channels**, as well as efficient API integration and user-friendly interfaces with **UI/UX design** principles. I am committed to advancing my technical skills and contributing to the software development field.

EXPERIENCE

Flutter Mobile Developer Intern

Focal X agency

- Integrated complex applications with a seamless user interface using **Flutter**, aligning with API requirements and enhancing application stability by 50%.
- Engineered efficient **RESTful API** integration for Flutter applications, achieving a 40% reduction in data retrieval time and optimizing overall app performance.
- Collaborated in the development of a real-world food delivery application, similar to **Foodora**.

August 2024 - January 2025, LATAKIA

with a seamless user interface using **Flutter**, aligning with API requirements and enhancing application stability by 50%. Engineered efficient **RESTful API** integration for Flutter applications, achieving a 40% reduction in data retrieval time and optimizing overall app performance. Collaborated in the development of a real-world food delivery application, similar to **Foodora**.

Recommendation Letter

To whom it may concern,

I am writing to recommend **Mahmoud Tarraf**
He successfully completed a four-months training program
in App Development | Flutter Lvl.2 from August 2024 to January 2025.

Mahmoud is a motivated individual with a passion for Flutter.
He demonstrated exceptional creativity, attention to detail, technical
expertise, teamwork, and adaptability during the program.

Mahmoud would be a valuable asset to your company.
He has the skills and work ethic to thrive in Flutter.

I highly recommend him for employment and encourage you to consider
his application.

Please feel free to contact me if you require further information about
Mahmoud's qualifications and performance.

Thank You,

Alaa Darwish

Founder & CEO
